

You have the keys to manage your money.

a world of banking without ever entering your bank.

Thanks for being one of Fleet's first customers to use the new *Managing Your Money*® software. Now, keeping track of your finances has never been easier. In fact, it's like having your own personal financial manager right in your home.

There are many benefits to using *Managing Your Money*.

This exciting new software lets you chart your future finances, budget your money, plan and prepare your taxes, even get financial advice. If you're an investor, you have instant access to graphs and reports on your stock portfolio, which makes tracking your investments a breeze. Even if you're not a computer genius, the SmartDesk® feature makes getting the information you need a snap. And free technical support is just a phone call away. Just call 1-800-741-6256.

Soon you'll be able to do your banking from home with Fleet PC Banking.

With PC Banking, you'll enjoy the same features you use right now with *Managing Your Money*, plus pay your bills on-line right out of your Fleet checking account, automatically download account balances and transactions, balance your checkbook, transfer money between Fleet accounts, even send and receive e-mail from Fleet. Look for details this summer, and the actual product introduction this fall.

Now you truly have the keys to organize your finances.

It's easy, it's convenient, and it's the best way to keep track of your money. You might say it's software you can bank on.
